The Trust does not hold the requested information in a reportable format for the period requested. To retrieve the requested information, the Trust would need to manually review individual patient records to identify the relevant diagnoses and treatments. We estimate that this exercise would take more than 18 hours to complete and would therefore exceed the appropriate cost limit of £450 prescribed for NHS organisations under the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004. The Trust is therefore relying on Section 12 of the Freedom of Information Act 2000 and is not obliged to provide this information.

The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting.

If you wish to discuss any of the above, please contact us, quoting the FOI reference number above.

If you are unhappy with the way in which we have handled your request, please contact the Data Protection and Freedom of Information Lead in the first instance. If you wish to make a formal complaint, you should write to our Complaints Manager at Torbay and South Devon NHS Foundation Trust, First Floor Bowyer Building, Torbay Hospital, Torquay TQ2 7AA or by email to tsdft.feedback@nhs.net

If you are not content with the outcome of your complaint or the internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner will only make a decision once you have exhausted the complaints and/or internal review process provided by us. The Information Commissioner can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or through this link https://ico.org.uk/global/contact-us/

Yours sincerely,

Freedom of Information Team
