

PATIENT INFORMATION

Head & Neck Nurse Specialist working Torbay and South Devon NHS Foundation Trust

The Head and Neck Nurse Specialists work within the hospital to coordinate care and offer specialist support and advice for people with head and neck cancer and their families.

The Nurse Specialists aim to work in partnership with patients and carers and with the Hospital Head and Neck Team.

What you can expect

- Support for you, your family and friends in hospital or by telephone.
- Specialist advice about your diagnosis and the effects of your treatments.
- Access to specialist medical support within the Head and Neck Team.
- Advice and signposting with regards to financial or social problems
- Liaison with other agencies involved in your care and other services that may be able to help
- The Head and Neck Specialist Nurses work closely with your Doctors, Hospital and GP practices to help provide the best care possible.

The Head & Neck Nurse Specialists are based at Torbay Hospital and works from 8.00am - 5pm Monday to Friday

Outside of normal office hours you can leave a message on answerphone.
