

PATIENT INFORMATION

Hearing Test

Appointment Information

How long will the appointment last?

The hearing test appointment, will last approximately **15 to 30 minutes**.

What will happen at the appointment?

At your appointment you will see an Audiologist who will test your hearing. During the test you will be asked to listen to sounds through a pair of headphones and press a button when you hear them. Depending on what your hearing is like other tests may follow. If you are unsure what you are expected to do at any point during the tests please ask.

Additional information

Please feel free to bring a family member or a friend with you.

Please let us know before your appointment if you need an interpreter or any special assistance. If you do need interpretation we would advise you to use one of our interpreters rather than a family member or friend.

If you have problems reading small print please let your Audiologist know at your appointment.

If you have any questions about your appointment you can contact us by phone or email.

Telephone 📞: **(01803) 656325**
