

PATIENT INFORMATION

Adult Hearing Assessment

Appointment Information

How long will the appointment last?

The appointment for a hearing assessment this will last approximately 1 hour.

What will happen at the appointment?

- You will see an Audiologist who will have a chat with you about your hearing and any problems you are having.
- You will then have a hearing test, during the test you'll be asked to listen to sounds through a pair of headphones and press a button when you hear them.
- Depending on what your hearing is like, some other tests may follow.
- If you are unsure on what you are expected to do at any point during the tests please ask.
- Once your test is completed the Audiologist will explain the results and will discuss with you what further action will be taken.
- If you have any questions during the appointment do feel free to ask at any point.

Additional information

Please feel free to bring a family member or a friend with you.

Please let us know before your appointment if you need an interpreter or any special assistance. If you do need interpretation we would advise you to use one of our interpreters rather than a family member or friend. If you have problems reading small print please let your Audiologist know at your appointment.

If you have any questions about your appointment you can contact us by phone or email.
