Our Mission

We provide a specialised day service that offers a holistic, person centred approach, to young people and adults with profound and multiple disabilities who may also have complex health and social needs. We embrace the individuality of each person who attends our service and provide a bespoke service for each of them placing value on their needs, desires, and physical and emotional wellbeing whilst enabling them to experience and achieve a fulfilled lifestyle.

We place the utmost importance on meeting the health and social needs of individuals and tailor their day to incorporate what is essential for them.

We offer on-going support with personal development and achieving individual goals.

A range of activities are offered and we work in partnership with several local organisations' and individuals to enhance the service we provide, such as:-

- Hydrotherapy and swimming
- A range of sensory experiences; busy fingers, pumper, tasting sessions. We have a well equipped sensory room including a Magic Carpet.
- Accessing the local and wider community; using public transport or by our two minibuses, if not in walking distance.
- Art and Crafts; working with local artists and students.
- Music
- Total communication.
- Our large gardens are a great space to enjoy relaxing in, pottering about, or doing something more energetic like games.
- Bag books
- Cookery
- We use assistive technology such as an eyegaze, soundbeam and ipads.

Our service is aimed at school leavers and adults. We provide a transition service for those leaving school to ensure they settle well into their new environment.

We work closely with other professionals including IATT (Behavioural team), Speech and Language Therapist, Primary Care Liaison Nurse, Physiotherapists and Occupational Therapists.

We are an experienced, skilled, qualified, dedicated and fun staff team.

Please visit us to see what we have to offer and take the opportunity to talk to one of our team.

Service Manager—Alison Tidy

Assistant Service Manager—Correna Farrell

Community Resource Workers—Emma Ashford, Martyn Hume, Jemma Brooks, Jamie Smith, Tracey Wealthall
