

PATIENT INFORMATION

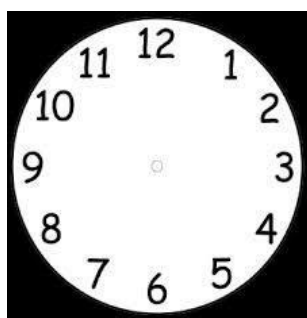

Toe Nail Surgery

You have an appointment to look at your sore toe

On

At:.....

Brixham Hospital

Please remember to bring:

Sandals or large shoes with plenty of space

Any medicines or inhalers that you take

You can bring a friend, family member or carer with you.

A podiatrist is a person who helps you look after your feet

When you arrive a podiatrist will talk to you and ask you some questions.

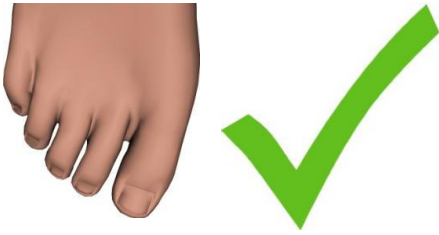

The podiatrist will check your blood pressure

The podiatrist will give you two injections to make your toe go to sleep

Lie comfortably and listen to the music.

The podiatrist will fix your sore toe

A bandage will be put on your toe

It will take 1 or 2 months for your toe to get better

You need to put a clean dressing on your toe every day

Don't get your toe wet!

You can use a special sock to keep it dry when you wash

You can call the Podiatry Appointment Office on
01803
