Special Care and Urgent Dental Service

We expect patients to keep appointments. We ask for 48 hours' notice of cancelled appointments, please call the number on the front of this leaflet. Failed appointments waste resources, please ask for more details on our policy.

Every new course of treatment needs a new medical history and other information. Please bring your NHS Number and National Insurance Number to your appointment.

If you would like copies of letters that we send as part of your dental care, or copies of your records, you should contact our service so that we can explain the current procedure to action this.

If anyone is violent or abusive they will be asked to leave and the police will be called.

How can I comment or complain?

&

We hope that most things that you are concerned about can be settled easily by discussing the problem with a member of staff.

If you tell them what is worrying you, they will try to find a solution or advise you who best to speak with. If you prefer, you can contact the clinical director of the service at the address on the front of this leaflet. The clinical director will arrange for your complaint to be investigated and when this has been done, you should receive a written reply within ten working days.
