

PATIENT INFORMATION

Torbay Family Carers Service

Torbay Family Carers service is a friendly, welcoming service for family Carers of adults with Learning Disabilities. We are a service where Carers are at the centre of our work and feel confident that their voice is heard.

We offer a range of services including information, general support, peer support, health and wellbeing checks, Carers assessments and social activities.

We have regular morning and evening meetings as well as drop in's where you can pop in and have a chat and a coffee. Some of our meetings can also be accessed online for those who cannot attend in person.

The meetings provide opportunities to invite guest speakers who can provide advice and information relevant to the caring role.

Throughout the year, we also organise different social events so everyone can get together.

If you would like more information about the Torbay Family Carers Service please contact us at carers@devonlink-up.org

You can also contact us by phoning Helen on 07973 838789 or Emma on 07852 546530

Torbay Family Carers Service is managed by Devon Link Up.
Registered Charity 1052687.
