

Independent auditor's report to the members of the Council of Governors of Torbay and South Devon NHS Foundation Trust

Audit completion

In our auditor's report issued, on 25 June 2025, for Torbay and South Devon NHS Foundation Trust (the 'Trust') for the year ended 31 March 2025, we reported an unqualified opinion on the group and Trust's financial statements.

We explained that we could not formally conclude the audit and issue an audit certificate for the Trust for the year ended 31 March 2025, in accordance with the requirements of Chapter 5 of Part 2 of the National Health Service Act 2006 and the Code of Audit Practice, until we had received confirmation from the National Audit Office (NAO) that the audit of the NHS group consolidation is complete for the year ended 31 March 2025. The NAO has confirmed the audit of the NHS group consolidation is complete for the year ended 31 March 2025.

We are therefore satisfied all audit work necessary has been completed.

Report on other legal and regulatory requirements - the Trust's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Trust's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Trust has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

In our auditor's report for the year ended 31 March 2025 issued on 25 June 2025 we reported that:

- we have nothing to report in respect of whether the Trust has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025 except on 24 June 2024 we identified a significant weakness in how the Trust plans and manages its resources to ensure it can deliver its services. This was in relation to how the Trust delivered its outturn position and the financial risk relating to delivering savings. We recommended the Trust takes a more proactive approach to its short-medium term financial planning to help achieve financial sustainability. The Trust has made limited progress in these areas and therefore the significant weakness remains in place for the year ended 31 March 2025.

No matters have come to our attention since that date that would have resulted in any additional exception reporting on the Trust's arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

Report on other legal and regulatory requirements – audit certificate

We certify that we have completed the audit of Torbay and South Devon NHS Foundation Trust for the year ended 31 March 2025 in accordance with the requirements of Chapter 5 of Part 2 of the National Health Service Act 2006 and the Code of Audit Practice.
