About this information sheet

This is one of a series of regularly updated local information sheets that aim to meet the most common information needs of people with disabilities and carers in Torbay.

Where possible, we try to keep our information up to date. However, we cannot guarantee that all of our information is constantly up to date - details change often and there may be changes to services of which we are not aware. If you know of a change to any of the services listed, please advise us of this so that we can amend the details.

The information should be used as a guide only, as it may not cover all the organisations that can help with your needs. Torbay Disability Information Service (part of Torbay and South Devon NHS Foundation Trust) cannot guarantee the accuracy of the information or the quality of service provided by the organisations. No liability can be accepted for loss, damage, or injury arising out of any contract made by a private individual with any of the organisations listed.

Details change often, so please make sure you are using the current edition. Latest copies of the sheets are published on the following website page:

www.torbayandsouthdevon.nhs.uk/disinfosheets

If you do not have Internet access, you can ask for single copies from our office.

A full list of our other information sheet titles can be found at the end of this sheet.

Information can be made available in other formats and languages. Please let us know what your needs are.

Introduction

This information sheet lists care homes in Torquay, Paignton and Brixham. The information sheet does not give detailed information about how to choose a care home or issues about money, although it does provide sources of advice and information.

Please note that most of our care homes sheets cover care homes in Torbay only. For homes outside of Torbay please refer to the Care Quality Commission (CQC) website (see under Registration and Inspection on page 9).

Details about care providers published in this Information Sheet

Please note that details about care providers issued by the Care Quality Commission can change: the information provided in this information sheet is in line with the latest information that we hold and the public information available on the Care Quality Commission website at the time of the last information sheet update. For information about registration and quality standards see page 9.

The Care Act 2014

Please be aware that the rules about getting and paying for social care started to change with the introduction of the Care Act in April 2015. To find out more about the Care Act and how it may affect you, please refer to the following pages on our Trust's

website: www.torbayandsouthdevon.nhs.uk/services/adult-social-care - these include a link to Independent Age's information about getting help with your care needs. You can also call us on 0300 456 8373 to request further information.

Making the Decision

Before deciding to go into a care home it is very important to consider other options, such as obtaining more help and care at home or moving into sheltered accommodation.

For advice and information about accommodation options, please refer to information sheet P25, 'Housing Options for Older People'. Information sheets about services in Torbay that can help you to remain independent include 'Housework, Domestic and Laundry Services', 'Keeping Safe and Warm at Home' and 'Meal Delivery Services' (for a full list of information sheets, see page 29).

Choosing a Care Home

If you do decide to go into a care home it is important that you make your choice of care home very carefully. In making your choice, we would strongly advise you to gather as much information as you can. You could, for example, check care home inspection reports and standards on the CQC website (see page 9). After gathering information:

Try to visit as many homes as possible in order to find the home most suitable for you. Some care home owners may be able to help you by arranging transport to the home for your visit if this is difficult for you.

Think about spending half a day at different homes to look around and to meet and talk with staff and residents. This will help you gain a feel for the atmosphere and the way the home is run.

If you are privately funded, it is very important that you check the terms of the contract. A leaflet about this, entitled 'Fair Terms for Care' is available on the Elderly Accommodation Counsel's website Housing Care.org at: http://www.housingcare.org/information/detail-2237-fair-terms-for-care.aspx Please note that the Office of Fair Trading, which produced this leaflet, has now closed.

Funding

If you move into a care home, it is important to understand how this will be funded. You may be self funding or get funding from the state, depending on your income and savings. If Torbay and South Devon Health NHS Foundation Trust is arranging your stay in a care home, they will work out how much you should pay towards the cost, based on a means test. For further advice and information on care home funding, please refer to the Financial Assessment and Benefits page on our Trust website at www.torbayandsouthdevon.nhs.uk/services/financial-assessment-and-benefits and the following independent guides (these are available on Age UK and Independent Age websites, or you can request copies from us):

'Paying for Permanent Residential Care' (Fact Sheet 10) - Age UK.

'Paying Care Home Fees' - Independent Age.

Various other fact sheets on care home funding published by Age UK and Independent Age.

For contact and website details of the above, please see Sources of Information and Advice, page 12.

NHS Funding for Healthcare and Nursing

If your medical needs are complex, intense or unpredictable you may get completely free care from the NHS, known as **NHS continuing healthcare**.

You should be assessed for **NHS continuing healthcare** before you move into a care home that provides nursing care, or when you are being discharged from hospital – assessment for **NHS-funded nursing care** is part of this process. You can also ask for an assessment if you live in a care home that doesn't provide nursing care.

Day Activities
This information sheet shows whether care homes offer day care. For further details about the day care services that care homes provide please see our 'Day Activities' information sheet, P36.

For information about social centres, lunch clubs and other leisure and social opportunities that don't include care provision, please see our 'Leisure and Day Opportunities' information sheet, P28.

Respite, Short Stays and Convalescence
This information sheet shows whether care homes offer respite or short stays. **Respite** is a stay in a care home that usually lasts from one night to around 2 weeks. **Short Stays** are longer than respite, could be for a few months but is not a permanent residence for the individual.

For people who are unwell and in need of a period of recuperation and rest, there are some convalescent homes that can provide this. Many of these homes are run by organisations for their members (eg. Unison and Railway homes), and they may be able to offer members help with funding a 'get well break' if they are deemed to be eligible.

Registration and Inspection

Care Quality Commission (CQC)
Citygate, Gallowgate, Newcastle upon Tyne NE1 4PA
CQC Helpline: 03000 616161
Email: enquiries@cqc.org.uk Website: www.cqc.org.uk
Please contact the CQC by phone or online only, rather than by post, during the coronavirus outbreak.

The Care Quality Commission registers and inspects all care homes (and other adult social care and health services) against fundamental standards - see below. Latest inspection reports are available to view on the CQC website.

CQC Age Group Categories

Please note that where a care home is shown as being for a particular age group (eg. over 65), younger or older persons may now be given a placement provided that the home is appropriate for them and meets their needs.

CQC Inspection Ratings

The CQC has a system of ratings which tell the public whether a service has been rated as outstanding, good, requiring improvement or inadequate. From 1 April 2015 there has been a legal requirement for providers to display these ratings in a place where you can see them. They must also include this information on their website and make the latest CQC report on their service publicly available.

Registration and Standards

From 1 April 2015 new standards came into force for all regulated health and adult social care services in England - this forms part of changes to the law recommended by Sir Robert Francis following his inquiry into care at Mid Staffordshire NHS Foundation Trust.

Providers are registered and licensed if they meet the fundamental standards, which cover the following areas:

- Person-centred care
- Dignity and respect
- Consent (your consent before any care or treatment is given to you)
- Safety
- Safeguarding from abuse
- Food and drink (enough food and drink to keep you in good health)
- Premises and equipment
- Complaints (you must be able to complain about your care and treatment)
- Good governance
- Staffing
- Fit and proper staff
- Duty of candour
- Display of ratings

When CQC find that the fundamental standards are not being met, they will use their enforcement powers. Please see their pages on 'taking action' for further information about this.

For further information about the new CQC standards, please see the CQC website pages: http://www.cqc.org.uk/what-we-do/how-we-do-our-job/fundamental-standards

Comments, Compliments, Concerns and Complaints

Although the Care Quality Commission welcomes feedback on any of the services it registers in order to ensure that services meet its fundamental standards, it does not deal with individual complaints.

To make a comment or a complaint about a service that is provided or funded by Torbay and South Devon NHS Foundation Trust, ask your Care Manager for advice in the first instance.

If you have not been able to resolve a problem by speaking with the healthcare staff directly involved, you may wish to contact the Trust's **PALS/Feedback and Engagement Team** for help and support. You can call the Team on (01803) 655838, or you can email them on: tsdft.feedback@nhs.net You can also write to the team at Feedback and Engagement Team, Bowyer Building, Torbay Hospital, Lowes Bridge, Torquay TQ2 7AA

The **Local Government and Social Care Ombudsman (LGO)** is able to investigate complaints from adults about their social care, whether it is local authority-funded or self-funded. The service is free. If you are not satisfied with the service provider's response to a complaint, you can contact the LGO Advice Team on 0300 061 0614. For further details, see the LGO's leaflet 'How to complain about adult social care and support', available to download from the LGO website at www.lgo.org.uk/adult-social-care/how-we-can-help

Further Information and Advice

Torbay Disability Information Service has been providing comprehensive information and advice to people in Torbay for over 25 years, and we are a founder member of the Torbay Advice Network (TAN). Our service is open to any resident of Torbay affected by any type of disability. We also provide information to anyone working or caring for people with disabilities.

No referral is necessary. Simply call us on 0300 456 8373 or email us at **dis.torbay@nhs.net**

We offer:

- An enquiry desk service covering a wide range of topics related to disability support and independent living.
- Advice and guidance on disability-related social security issues, including benefit checks.
- Over 19 web-based information sheets covering the questions that we get asked most frequently.

Opening hours: Monday to Friday, 9.00am to 4.00pm.

- **Signposts for Carers**

Signposts for Carers is Torbay's dedicated telephone support service providing specialist information and advice to unpaid carers in Torbay. Contact *Signposts* in confidence to find out about services, equipment, benefits and rights. Support is available on a short or long-term basis.
