About this information sheet

This is one of a series of regularly updated local information sheets that aim to meet the most common information needs of people with disabilities and carers in Torbay.

Where possible, we try to keep our information up to date. However, we cannot guarantee that all of our information is constantly up to date - details change often and there may be changes to services of which we are not aware. If you know of a change to any of the services listed please advise us of this so that we can amend the details.

The information should be used as a guide only, as it may not cover all the organisations that can help with your needs. Torbay Disability Information Service (part of Torbay and South Devon NHS Foundation Trust) cannot guarantee the accuracy of the information or the quality of service provided by the organisations. No liability can be accepted for loss, damage, or injury arising out of any contract made by a private individual with any of the organisations listed.

Details change often, so please make sure you are using the current edition. Latest copies of the sheets are published on the following website :

Introduction

This information sheet provides information about private day care services provided by care homes and day centres in Torbay. Where prices are shown these are for privately funded day care, but help with funding may be available, based on a means test, if you are eligible for social care support or your carer has 'enhanced' eligibility for a break. Torbay Adult Social Care is on (01803) 219700.

Please note that only services that provide **care** are included in this sheet. For details of services that offer leisure opportunities but no care, eg. lunch clubs and leisure centres, see our 'Leisure' information sheet (P28).

About the Listings

There are two charts at the beginning of this information sheet: one showing the various care services provided by each of the day care providers, and the other listing leisure services. These charts are followed by records of services, giving contact details and further information, such as times and whether transport is provided.

If you or someone you care for is thinking about using a day care service it is important to go along to try out the service first before making any commitment to attend regular sessions. Please note that most of the providers listed in this sheet allow clients to try out a session first, and most of them offer short stays or respite as well as day care.

For further information about care homes in Torbay see our information sheets, C01 to C08 or refer to the Care Quality Commission (CQC) at www.cqc.org.uk, telephone 03000 616161. For inspection reports, visit www.cqc.org.uk or contact CQC.

Further Support

For information and advice about further support, please contact Torbay Adult Social Care Services on (01803) 219700 to discuss your concerns. If you live outside Torbay contact Care Direct on 0345 155 1007.

The Care Act 2014

Please be aware that the rules about getting and paying for social care started to change with the introduction of the Care Act in April 2015. To find out more about the Care Act and how it may affect you, please refer to the following s on our Trust's website: www.torbayandsouthdevon.nhs.uk/services/adult-social-care - these include a link to Independent Age's information about getting help with your care needs.
