About this information sheet

This is one of a series of regularly updated local information sheets that aim to meet the most common information needs of people with disabilities and carers in Torbay.

The information should be used as a guide only, as it may not cover all the organisations that can help with your needs. Torbay Disability Information Service (part of Torbay and South Devon NHS Foundation Trust) cannot guarantee the accuracy of the information or the quality of service provided by the organisations. No liability can be accepted for loss, damage, or injury arising out of any contract made by a private individual with any of the organisations listed.

Details change often, so please make sure you are using the current edition. Latest copies of the sheets are published on the following website page:

www.torbayandsouthdevon.nhs.uk/disinfosheets

If you do not have Internet access, you can ask for single copies from our office.

A full list of our other information sheet titles can be found at the end of this sheet.

Information can be made available in other formats and languages. Please let us know what your needs are.

Introduction

Many people affected by disability or long-term health conditions find it difficult to meet the costs of specialist equipment or other items needed to improve or maintain independence.

The purpose of this information sheet is to help you identify potential sources of extra finance. We have also included information on the help available through Crisis Support, the Deposit Bond Scheme, Discretionary Housing Payments, the Exceptional Hardship Fund, Short-term Benefit Advances, Budgeting Loans and Budgeting Advances.

What you need to do next:

- Look through the charities listed in this information sheet; one of these may be suitable for your needs.
- If you cannot find a charity in this information sheet that may be able to help with your needs, contact us to find out whether there are any other charities that may be able to help you. You can also search for charities on the website Turn2us at www.turn2us.org.uk
- We do not have enough staff to apply to charities on your behalf, so you must do this for yourself or ask a friend to help. Please note that some charities will require supporting letters from professionals who may be involved with your care

Charities linked to jobs

It is worth thinking about whether you might qualify for help through the type of work you are, or were, engaged in. Many large commercial employers, professional associations, public service bodies (fire service, police, nursing, civil service, coal mining, etc.), unions, and the armed services are possible sources of welfare help.

General

Trade Unions

Some unions provide financial support to existing and/or former members. You can use the TUC website to find a union. The site holds contact details for all affiliated unions.

Provides support for those who work, or have worked, in the meat industry within the UK and Ireland and who have fallen on hard times, regardless of their circumstances. Widows, dependants and children may also be eligible for assistance. Provides one-off grants to help towards a major expense and help towards fees in a residential or nursing home. Applicants must have been connected with the trade for a minimum of 10 years ending within the last preceding 20 years.

Who is eligible?

Hospitality Action is the trade charity for hospitality workers and has been supporting the UK hospitality industry since 1837. Over the past 180 years, we've helped hundreds of thousands of hospitality people who've found themselves in difficulty or crisis.

Hospitality Action can consider financial assistance for applicants that:

- Work/ Have worked in any role for a company in the UK whose main function is the direct provision of food, drink or accommodation away from home.
- We can consider applications from people where they have been directly employed in the provision (e.g. they worked in hotels, contract catering businesses, restaurants, pubs, bars or coffee shops). Or have worked in a job where their direct role is the in-house provision of food, drink or accommodation

in another business sector (such as school, hospital or care home cook, or working in a staff restaurant in an office building).

- We also cover self-employed from the industry.

Applicants must have worked during one of the following time frames:

- Currently working within the industry
- Have worked for five years or more in their lifetime
- Have worked for one year within the last two years in the industry and have recently lost their job/hours due to the Covid-19 pandemic.

Applicants must also:

- Demonstrate that they are in financial need and have limited savings.

Exclusions and conditions apply - For more information about our eligibility criteria please visit

<https://www.hospitalityaction.org.uk/get-help/are-we-able-to-help-you/>

If you meet our eligibility criteria you may apply for financial assistance (with appropriate supporting evidence as outlined in the guidance notes section of the application form).

How do I apply?

For a copy of our application form, details on our application process and other information about how to apply to us for financial assistance please follow the links at <https://www.hospitalityaction.org.uk/get-help/> for either our Main Grant or Covid 19 Recovery Grant.

NOTE: Please carefully check that you have filled in the entire application form, and provided ALL the evidence requested (see

guidance notes) to support your application as incomplete applications will be subject to delays.

All existing applications will be reviewed with a decision made between 4-6 weeks. We will contact you if you need any further information to support your application. We appreciate your patience at this extremely busy time.

- The David Gibbons Foundation

Telephone: 07483 335759 Email: enquiries@gibbonstrusts.org
Website: <https://gibbonstrusts.org.uk/>

The charity promotes the welfare and relief of people suffering from illness (mental or physical illnesses, or disabilities) financial hardship, and the elderly, within Devon. It provides grants to people living in Devon (with a preference for East Devon). Online applications are accepted via the Charity website and must include at least one reference from a healthcare or other professional. Grant payments are made to the supporting organisation (referee), not directly to the beneficiary. Full details are available on the website.

- The Gibbons Family Trust

Telephone: 07483 335759 Email: enquiries@gibbonstrusts.org
Website: <https://gibbonstrusts.org.uk/>

The charity makes grants for the benefit of young people up to the age of 25, living in Devon (with a preference for East Devon), or the Isle of Thanet in Kent. Applications can be made by individuals, or by organisations applying on their behalf (which is our preference). Applications can be considered for any financial need, with the exceptions of not funding private school fees, overseas trips of any kind, or retrospective funding. Online

applications are accepted via the Charity website and must include at least one independent reference from a healthcare or other professional. Grant payments are made to the supporting organisation (referee), not directly to the beneficiary. Full details are available on the website.

- Devonian Fund

Devon Community Foundation,

The Factory, Leat St., Tiverton, EX16 5LL

Telephone: (01884) 235887 Email: grants@devoncf.com

Website: www.devoncf.com

Aims to help individuals to overcome or relieve mobility problems by, for example, contributing towards the cost of equipment that could significantly improve their quality of life. It can also help with specialised transport needs, such as accessible coaches or taxis. Individuals cannot apply for a grant themselves but must be referred by a health care or other professional. The Fund also distributes grants to community groups that provide facilities, or to groups of people who have long-term mobility problems in relation to disability or ill health, such as stroke clubs, disabled fellowships, or sports clubs.

NB. Devon Community Foundation is reviewing it's grant making process and is not currently accepting applications but is expecting to re-open the fund this Spring (2021). The DCF website should be checked for latest updates.

- Disability Grants

Email: contact@disability-grants.org

Website: www.disability-grants.org

Disability Grants is a website that provides information on charities and grants to help people to find a grant for themselves, their family or anyone they are supporting with a disability. The website provides information on grants for children, adults, families/carers, holidays, recreation, equipment, housing, education and employment. It may be necessary to search under

several different headings as many charities and trusts provide funding in more than one category.

Elizabeth Finn Fund

Hythe House, 200 Shepherds Bush Road, London, W6 7NL

Telephone: 0808 802 2000 Email: info@turn2us.org.uk

Website: <https://www.turn2us.org.uk/get-support/Turn2us-Funds/Turn2us-Elizabeth-Finn-Fund>

The Elizabeth Finn Fund is part of Turn2us, a national charity that helps people in financial hardship gain access to welfare benefits, charitable grants, and support services. The Fund provides one-off and recurring grants for people who have recently faced a life changing event resulting in reduced income or additional costs, and who:

- Are on a low income and in receipt of, or have applied for, benefits they are entitled to.
- Have worked in one of the Fund's listed professions (listed on website) or have a partner who has done so. In most cases these are positions where the job requires a degree, some level of responsibility or NVQ4 or above. The Fund also helps people who have run their own business with employed staff or have earned a living from the arts.
- Have British or Irish nationality or live in the UK for at least half of the year.

I'm not sure if you do so already but do you feature anything about our Grants Search where people can search through roughly 1500 different funds to find any they may be eligible for? You can access this here: <https://grants-search.turn2us.org.uk/>

- Friends of the Elderly

Help with interest on loans for essential repairs or adaptations through benefits, including Pension Credit or Income Support

Certain benefits can include help towards the cost of loans taken out to fund home repairs and improvements – these benefits are Pension Credit, income related Employment and Support Allowance, income based Jobseeker's Allowance, Income Support and Universal Credit. Help is only given towards the interest charges, not repayments of the sum borrowed. If other adults live with you they may be expected to contribute towards your repayments and you may get less, or even no, help with the interest on your loan.

For repairs, only work considered necessary to maintain the fitness of your home for human habitation is allowable. Help with interest on loans may also be used to adapt a home for the needs of a disabled person. If eligible, a loan may be used in full, or in part, to adapt a home.

NB. A loan for repairs, improvements or adaptations only qualifies if it is spent within 6 months.

In both the above sets of circumstances, a lender would have to be prepared to offer you a loan, or increase an existing loan.

There are no known lists of sympathetic lenders – you would need to ask lenders.

It is also essential to discuss your proposal with Jobcentre Plus before proceeding, or the Pension Service if you are of pension age.

Torbay Disability Information Service can advise on the types of repairs or adaptations that may be considered under the regulations.

Torbay Council Welfare Support Scheme

This is being introduced in 2021 as a replacement for the previous Crisis Support scheme, which was narrower in its scope.

Key Objectives:

- To provide quick and effective support to people who require help to meet an immediate short term need
- To assist people to establish themselves or maintain their independence in the community

Encouraging engagement with wider support services is a key underlying principle of the scheme. We aim to use each claim as a potential opportunity to help residents tackle deep-rooted issues and address their longer-term needs by offering access to advice and helping people to move away from crisis toward greater financial stability.

Examples of short term needs we may assist with:

- Emergency short term support where the applicant or member of their household would be severely disadvantaged if their immediate needs are not met or mitigated, including household essentials (e.g. food, heat, power, nappies, baby milk), essential travel.
- Essential medication for the household, or items related to specific dietary or cultural needs
- Repairs to essential household items
- Essential monthly expenditure, which cannot be deferred
- Utility support or to prevent insurance default where the supplier does not have a Covid-19 rescue package
- Other immediate support necessary for the fundamental wellbeing of the applicant and family
- Items not currently accessible through foodbanks e.g., pet food or special dietary needs
- Signposting to essential advice and support services

Examples of help available for longer term issues:

- Access to information and advice to help increase self-reliance and to maintain financial independence in the longer term, (e.g. DWP, CAB, debt Advice and other grants and funding schemes where they may be available).
- Essential items for people who were homeless within the community and are setting up home for the first time, or leaving prison, hospital, residential care, or moving into independence as a Care Leaver, etc.
- Rent in Advance and/or deposits for affordable accommodation if Discretionary Housing Payments or alternative funding cannot be obtained
- Removals where there is an essential need to relocate, and the resident cannot fund the cost
- Essential domestic appliances (priority will be given to families with children and people with disabilities, and we will try to help you get repairs done first)

How assistance is provided:

A mixture of:

- Cash grants
- Direct supply of goods, including through partnerships with national & local organisations

Eligibility

The scheme is open to all residents of Torbay aged 16 or over. The list below explains who the scheme is mainly intended to assist, but others may also be able to get some help and are welcome to apply.

- People, normally on a low income who are in receipt of or waiting to get income-related benefits, who have demonstrated they are without immediate resource to meet the basic needs of themselves and / or their dependents.
- People experiencing/fleeing domestic abuse.
- People vulnerable due to mental health conditions or crises

- Households with a pregnant woman
- People requiring support to remain in the community or to re-integrate into the community.
- Careleavers requiring support not available to them through their “parent” Council’s Local Offer for care leavers.

Unless there are exceptional circumstances an applicant will need to have been living in Torbay for 3 months to get Welfare Support assistance.

Making a claim

Applicants will be expected to:

- complete an online application form; and
- where we deem it necessary, have a telephone interview with an officer to discuss the application and appropriate support/signposting.

We will still aim to make paper application forms available at Torquay Library, Brixham Library and Paignton’s Library and Information Centre but online applications are preferred and are likely to be dealt with more quickly

A welfare support application is an opportunity to identify and offer other appropriate advice and support aimed at helping people to move away from crisis towards greater financial stability.

Please visit <https://www.torbay.gov.uk/benefits/other-help/welfare-support/> or call 0800 917 6832 (phone line open Monday to Friday from 9am to 1pm) or email Crisis.SupportPayments@torbay.gov.uk

Deposit Bond Scheme

The Deposit Bond Scheme replaces cash deposit payments that were previously paid through Crisis Support, Discretionary housing Payments and the Housing Options Team.

The aim of the Deposit Bond Scheme is to help people to rent a home in the private sector where they are unable to afford a deposit.

The Bond is an agreement between the Council, the landlord/letting agent and the incoming tenant. It is not a transfer of cash but a written guarantee issued to the landlord on behalf of the tenant to cover the deposit for the new home. The maximum value of the Deposit Bond is normally the monthly rent for the tenancy. It will cover the deposit for 2 years, in which time the tenant would be expected to have saved to cover their own deposit under the Council's Tenancy Deposit Savings Scheme.

NB. Rent in advance applications will still be dealt with by the Crisis Support and Discretionary Housing Payments Team.

For further details about the Deposit Bond Scheme, please visit <http://www.torbay.gov.uk/housing/renting/deposit-bond-scheme/> or call (01803) 208053.

Discretionary Housing Payments

Discretionary Housing Payments are additional payments that the Council can provide to residents who are receiving Housing Benefit or Universal Credit (Housing Costs) and need extra financial help with housing costs.

Examples:

- Shortfalls if the Benefit Cap or “Bedroom Tax” applies, or if the Local Housing Allowance is less than the rent, but we will consider all cases on their merits based on the applicant’s income & expenditure.
- Rent in advance for people who need to move – this is generally for those at risk of homelessness or with an urgent need to move (e.g., due to domestic violence). Help is only available if the new property is affordable for the applicant.
- NB- help with Deposits is normally provided via the Deposit Bond Scheme, but you normally need to access this by making a claim for Discretionary Housing Payments
- Rent arrears if an award is likely to prevent homelessness (we will normally pay a maximum of three months’ rent).
- Help with removals for an essential move.

Please note that Discretionary Housing Payments cannot be awarded for:

- Services included in your rent, such as fuel costs, water rates or meals
- An overpayment that is being recovered from your benefit
- A drop in income due to a sanction on another benefit, eg. Jobseekers
- Allowance, Income Support, Employment and Support Allowance, Universal Credit

Who can claim?

You can claim if you are on Housing Benefit or Universal Credit (Housing Costs).

If you are not in receipt of Housing Benefit or Universal Credit (Housing Costs) you can also apply for help with rent in advance and a Deposit Bond through the Council’s Welfare Support scheme.

Making a Claim

Please contact Torbay Council for details on how to apply.

What information will I need to provide?

Please refer to the application form. If you are asking for rent in advance and/or a deposit bond we will need to see your bank statements. For help with rent arrears, we need an up to date rent statement.

Other help if you are homeless or need to move

The Council's Housing Options section can help in certain circumstances such as if you are homeless/at risk of homelessness or it is accepted that your current accommodation is not suitable.

Please contact them via the website here:

<https://forms.torbay.gov.uk/HousingEnquiry>

Or You can call them on (01803) 208058.

If you have a hearing impairment, please call 07810 548004).

Exceptional Hardship Fund

Council Tax- Exceptional Hardship Payments and Discretionary Reductions

Exceptional Hardship Payments

These can be awarded as a credit to Council Tax bills for people with low incomes who cannot pay the remaining Council Tax after Council Tax Support has been awarded.

Who can claim?

You must be receiving Council Tax Support to submit a claim unless the only reason you do not get Council Tax Support is if you are self employed and subject to the “Minimum Oncome Floor”.

You can only get Exceptional Hardship Payments if you are in one of the vulnerable groups below or you can show that you are in severe financial hardship:

Vulnerable groups:

- You or a member of your family are disabled.
- You are a lone parent with a child aged under 5 receiving means-tested benefits.
- You are a carer receiving means tested benefits.
- You have suffered domestic violence in the last 12 months.
- You are a foster carer.
- You are a care leaver under the age of 22.
- You have been in a hostel for at least 3 months.
- You are attending a rehabilitation programme for drug or alcohol dependency.

How do I apply?

Please contact Torbay Council for details on how to apply.

Discretionary Reductions

This reduction will only be awarded for a temporary period and there will normally need to be a crisis that justifies the exceptional help.

All eligible exemptions/discounts/reductions should have been obtained before making an application for a Discretionary Reduction.

Applications must be made in writing or online detailing the **exact** circumstances of why a Discretionary Reduction is required and specifying when the situation is expected to be resolved.

Short-term Advances

Short-term Advances replaced Interim Payments and Social Fund Crisis Loan alignment payments for all benefits from April 2013.

When someone makes, or is about to make, a new claim to benefit, they can sometimes experience a period of financial need before receiving their first payment of benefit. Short-term Advances of benefit will help claimants through that period by providing an advance of their future benefit award, which will then be recovered from subsequent payments of benefit.

Short-term Advances are also available:

- to claimants who have experienced a change of circumstances that will increase the amount of benefit to which they are entitled
- where the first payment of benefit is made for a period shorter than that for which subsequent payments will be made (e.g. the first payment is made in respect of a week and the next payment is due to be paid in two weeks' time and will be made in respect of those two weeks); or
- in cases where it is impractical for benefit to be paid on the due date (e.g. due to a technical problem in processing the claim or payment).

Qualifying for a Short-term Advance

Short-term Advances of benefit may be available to people who have recently applied for Jobseeker's Allowance, Income support, Employment Support Allowance, Carer's Allowance, Pension Credit or State Pension.

Please note that **you cannot get a Short-term Advance without having claimed a benefit first**. To qualify, you must be able to prove that you are in financial need. This means that if you don't

get a Short-term Advance there is a serious risk of damage to the health and/or safety of you and/or your family.

Repayments

Short-term Advances are required to be recovered within a specified period, which is agreed when the advance is awarded.

How to make a claim

You can declare your need for a Short-term Advance to the Jobcentre Plus Contact Centre or an adviser in your local Jobcentre (please see below for contacts). They will then send a Short-term Advance request to the benefit centre to be decided.

Budgeting Loans and Budgeting Advances

Budgeting Loans

Budgeting Loans will continue to be available until Universal Credit is fully rolled out. As people migrate across to Universal Credit they will have access to a new system of Budgeting Advances that will replace Budgeting Loans for Universal Credit recipients.

Budgeting Loans are interest-free loans for people who have been on Income Support, Income-related Employment and Support Allowance, Pension Credit, or income-based Jobseeker's Allowance for at least 6 months. Loans are reduced if you have over certain amount of capital. Loans can be repaid over a 2-year period (longer for hardship cases). The overall loan debt limit is set at certain amount.

You may be entitled to a loan if you need help with the following:

- Furniture or household items (eg. washing machines or other 'white goods')
- Clothing and footwear
- Rent in advance (but not deposits), or removal expenses to get fresh accommodation
- Home improvements, maintenance or security
- Travelling costs within the UK
- Costs linked to getting a new job
- Maternity costs
- Funeral costs
- Repaying hire purchase (HP) or other loans that have been taken out to pay for any of the above.

Loans are reduced if you have over certain amount in savings.
Certain items are excluded.

The Government does not provide enough money for all applications to be successful. This means that local offices have to set priorities and may not be able to help everyone. You can apply online or application forms can be downloaded from the GOV.UK website below, or contact Jobcentre Plus (see below) to apply.

Challenging Decisions

You can ask for a Budgeting Loan decision to be reviewed if you are not happy with it. To do this, you need to send a signed letter to Jobcentre Plus within 28 days of the decision, asking for a review and explaining why you think the decision was wrong.

If you do not agree with the new decision, you have a further 28 days in which to request a second review. These requests are normally emailed by Jobcentre Plus.

Budgeting Advances

Budgeting Advances have replaced Budgeting Loans for Universal Credit claimants from 1 April 2013 to ensure that those with the lowest incomes claiming Universal Credit continue to have access to an interest-free alternative to high-cost lending for emergency and unforeseen expenses. Budgeting Loans will continue to be available for those claiming legacy benefits until all such claims have been closed or migrated to Universal Credit.

Budgeting Advances reflect existing Budgeting Loan eligibility requirements and available amounts. As such, Budgeting Advances will in most cases require the claimant to have been claiming Universal Credit - or have had a continuous claim to a legacy income-related benefit migrating to Universal Credit - for at least six months. However, this does not apply if the Budgeting Advance is needed for an expense related to obtaining or retaining employment.

Budgeting Advances are available only to those on the lowest incomes (just as access to Budgeting Loans is restricted to those receiving income-related benefits) and the Regulations specify a maximum earnings threshold for eligibility to a Budgeting Advance.

The maximum Budgeting Advance available for a claimant will depend on whether the Universal Credit claim is in respect of a single person or a couple, and on whether the claimant is responsible for any children or qualifying young people. The Regulations specify the maximum loan for each of those categories of claimant and any reductions to apply in respect of capital held by the claimant or their partner.

Decision Makers' guidance sets out a maximum recovery period of 12 months, extendable to 18 months in exceptional circumstances, which compares to 104 weeks for a Budgeting Loan. Additionally, claimants will not be eligible for a Budgeting Advance if they have an earlier Budgeting Loan or Budgeting Advance that has not been fully repaid.

To apply for a budgeting advance, contact your local Jobcentre Plus office.

Please note that you can't appeal against a decision about your entitlement to a budgeting advance. However, if you think that Jobcentre Plus has made a mistake by not following the right procedure when processing your application, you should seek advice. It is sometimes possible to challenge the decision through the courts using judicial review. This is expensive, though, unless you can get free legal help through legal aid.
