About this information sheet

This is one of a series of regularly updated local information sheets that aim to meet the most common information needs of people with disabilities and carers in Torbay.

Where possible, we try to keep our information up to date. However, we cannot guarantee that all of our information is constantly up to date - details change often and there may be changes to services of which we are not aware. If you know of a change to any of the services listed please advise us of this so that we can amend the details.

The information should be used as a guide only, as it may not cover all the organisations that can help with your needs. Torbay Disability Information Service (part of Torbay and South Devon NHS Foundation Trust) cannot guarantee the accuracy of the information or the quality of service provided by the organisations. No liability can be accepted for loss, damage, or injury arising out of any contract made by a private individual with any of the organisations listed.

Details change often, so please make sure you are using the current edition. Latest copies of the sheets are published on the following website page:

www.torbayandsouthdevon.nhs.uk/disinfosheets

If you do not have Internet access, you can ask for single copies from our office.

A full list of our other information sheet titles can be found at the end of this sheet.

Information can be made available in other formats and languages. Please let us know what your needs are.

Introduction

You are advised to take great care when getting any work done on your home. Please note that we are not able to recommend any of the tradespeople listed in this information sheet. We publish the information that they provide to us about their service, but it is advisable for you to double-check details yourself, eg. membership of trade bodies and insurance.

General Advice about choosing a Tradesperson

When choosing a tradesperson, it is advisable to take the following steps:

Check:

- How long the tradesperson has been in business.
- What qualifications he or she has in their trade.
- Does the person have Public Liability Insurance.
- Whether your work is covered by a guarantee.
- If your tradesperson is:
 - a member of a **trade association**. You can follow this up with a call to the trade association to check that details are up to date.
 - a member of Trading Standards **Buy with Confidence** Scheme - Torbay has joined with Devon Trading Standards in this scheme (see page 7 for further details).
 - registered with **TrustMark**, the only government endorsed 'find a tradesperson' scheme (see page 7 for further details).
 - in the **Trading Standards Institute Consumer Codes Approval Scheme (CCAS)**. Traders in this scheme display the TSI approved code logo. The logo means that the trader has agreed to provide good standards of service, including clear information before a contract is signed, a clear complaints procedure and access to alternative dispute resolutions (ADR) scheme for settling out of court.
 - on a website that rates traders (eg. www.checkatrade.com).

Get several quotes

Ask at least three builders for written quotes – **make sure that these are quotes and not estimates** as an estimate is a rough price which could change. A quote is an exact price which can't be increased later without your agreement. Make sure that the quote is in writing, breaking down the cost of the work and of materials. Check what is included and whether or not the price includes VAT. Builders may charge for quotes – check this out in advance.

Ask for references and check them

Agree the work and put it in writing

When you have accepted a quote, request written confirmation detailing what has been agreed. This should include:

- An estimated start date
- The work that has been agreed and who will do this work
- An estimate of the time required to do the job
- Any guarantees and insurance cover
- Any aftercare services.

Payment

Final payment will not generally be expected until satisfactory completion of the work. If you do agree to pay a deposit make sure that the amount is officially receipted and **don't pay in cash**. On longer jobs, agree a schedule of payments and be sure that your payment at each stage reflects the progress made. **Always keep back some of the total payment until the job is completed.**

Local Advice and Assistance

Brixham Town Council Gardening Assistance Scheme

Brixham Town Council now offers a Gardening Assistance Scheme (from October 2020). The Scheme offers help with basic garden maintenance (e.g. grass and hedge cutting and weeding) for residents of Brixham who are disabled or over the age of 70 and have no able-bodied person living on their premises or access to any other similar scheme that may be provided by a

landlord. The Scheme charges £10 for the first hour and an additional £5 per hour for any additional work, with a minimum of one hour and a maximum of 10 hours per annum for each household that registers with Brixham Town Council for any work to be carried out.

Contact: For further information or to request a registration form, please contact Brixham Town Council on (01803) 859678 or info@brixhamtowncouncil.gov.uk You can also download the form from the website: www.brixhamtowncouncil.gov.uk

Staying Put Torbay

Staying Put Torbay is a partnership of six organisations that have joined together to provide services which over 50-year-olds have advised Staying Put that they might need to enable them to stay in their homes for longer. Services offered include a low-cost handy person service that provides help with small jobs such as changing a light bulb, curtain hanging, weeding or clearing garden paths.

Contact: For further information please contact Staying Put Torbay on (01803) 446022 or stayingput@torbaycdt.org.uk

 www.ageingwelltorbay.com/stayingput

Torbay Home Improvement Agency (HIA)

Torbay Home Improvement Agency assists older, disabled and vulnerable people who live in Torbay. The service can help clients who need assistance to adapt their home, enabling them to remain safe and independent. They may be able to help people to arrange works funded through a Disabled Facilities Grant, subject to a financial assessment and eligibility checks, which may be available to cover some or all of the cost of the works. The Service liaises closely with Occupational Therapists from Torbay and South Devon NHS Foundation Trust as an assessment will be necessary to determine whether clients qualify for an adaptation. Please note that there is no showroom.

Contact: Anyone who may require a Disabled Facilities Grant should self-refer for an OT assessment via (01803) 219700. Torbay HIA is now part of Torbay Council and can be contacted for general advice on (01803) 208020.

Torbay Home Maintenance Register (including Handy Person Service)

If you are aged over **50**, Age UK Torbay can give you contacts from its list of reputable local tradespeople who have been vetted and have agreed to comply with a strict Code of Practice. They are prepared to carry out work in your home and garden, and offer a wide range of skills: electrical, plumbing, roofing, building, gardening, **Handypersons**, decorating and many more. Prices for a handy person service (smaller household jobs, such as changing tap washers, unblocking sinks and putting up curtains and rails) start from £10.00 but will vary depending on the level of work/time required.

Please note that traders on the Home Maintenance Register are not employed by Age UK Torbay so any contract made is strictly between you and the trader concerned. For further information or to request a name of a trader, call Age UK Torbay on (01803) 555181 or email: reception@ageuktorbay.org.uk

Gas Workers' Registration

GAS SAFE REGISTER

From 1 April 2009, Gas Safe Register replaced the CORGI gas registration scheme as the official gas safety body. Gas Safe registered engineers have an ID card with their licence number and photograph. To check registration, visit www.GasSafeRegister.co.uk or call 0800 408 5500.

All registered gas installers are inspected regularly and also have to obtain certification by undertaking tests which show that they are competent to do the work. Businesses that allow gas workers to operate without evidence of competence will be struck off the Register.

If you are a home owner, you will now receive a safety certificate (called a Declaration of Safety) after a gas appliance has been installed – this proves that the appliance has been installed by a professional. You will also need to inform your Local Authority

Building Control department of the work, which will require an inspection and will cost up to £300. However, if you use registered installer, Local Building Control will be notified directly, offering you significant savings.

NB

- ◆ ***It is always advisable to ask for a person's ID before letting them into your home.***
- ◆ ***Whilst the information about home maintenance services in this sheet was verified by them at the time of publication it is always advisable to check registration prior to work being carried out.***

Electrical Safety Regulations

From 1 January 2005 new regulations relating to electrical safety came into force. All work that involves adding a new circuit to a dwelling or electrical work in kitchens, bathrooms or 'special locations' is now controlled. Householders will need to notify Building Control with a building regulation application or ensure that a competent person who is registered with a Part P Self-Certification Scheme carries out the work. For further information contact the Building Control Division of Torbay Council on (01803) 208095 or Email: building.control@torbay.gov.uk.

Where to find Gardening Services

This information sheet does not list gardening services. For information about gardening services in Torbay please contact the Torbay Home Maintenance Register on (01803) 555181 (see also page 5).

Further Information

You may find it useful to refer to the following information and advice:

There is advice in the Directgov national archives about choosing traders and service providers. View this information at:

Buy with Confidence Scheme

www.buywithconfidence.gov.uk

Torbay has joined with Devon Trading Standards in this national scheme, which provides a directory of businesses that pledge to operate legally, honestly and fairly. Every business listed has undergone a series of detailed checks before being approved as a member of the Scheme. Visit the website for further details or to search for local traders in the scheme.

Citizens Advice – Consumer Advice

For further advice about choosing a tradesperson as well as advice about how to deal with problems and disputes, visit the Citizens Advice self-help website at www.citizensadvice.org.uk/consumer (includes a section on Home Improvements) or contact the Citizens Advice Consumer Helpline (formerly Consumer Direct) on 03454 04 05 06 or textphone: dial 18001 followed by 03454 04 05 06.

TrustMark

www.trustmark.org.uk

Telephone: 0333 555 1234 Email: via website

TrustMark is a not for profit organisation, licensed by Government and supported by consumer protection groups. If a firm is TrustMark registered it is working to a code of practice set down by an approved Scheme Operator and standards that give you greater confidence and protection.

VAT Relief

Purchases and installation of specialist equipment for daily living can be exempt from VAT if a declaration is signed by a disabled person and given to the supplier at the time of purchase (before making payment). The person doesn't need to be registered disabled in order to qualify. Also, people aged 60 or over can

claim a reduced rate of VAT for certain mobility aids that are installed in their home by the supplier (grab rails, ramps, stair lifts, bath lifts, built-in shower seats or showers containing built-in shower seats and walk-in baths with sealable doors).

How to Claim VAT Relief

Making a declaration at the time is all you have to do to claim exemption. There is NO official form, but suggested templates for the declaration are included in VAT Notice 701/7: VAT Reliefs for Disabled and Older People, available online at:

www.gov.uk/government/publications/vat-notice-7017-vat-reliefs-for-disabled-people

NB. Assistive equipment centres are usually well aware of the rules and have their own forms.

Further Information and Advice

For information and advice on the VAT reliefs available for people with disabilities and older people, contact the **VAT Disabled Reliefs Helpline** on **0300 123 1073**. You can also refer to VAT notice 701/7 (see above) for more detailed information.
