

How was your experience of this hospital?

NHS Adult Inpatient Survey 2025

The hospital is conducting a survey to find out what patients thought about their care during their overnight stay.

This is part of a national programme to **improve patients' experiences while in hospital**. Taking part in the survey is **voluntary** and all answers are **confidential**.

If you are invited to take part, your name, phone number and postal address will be shared with researchers, who will send you a letter and text message reminders. You can complete this survey online or on paper.

If you **do not** want to take part, or have any questions about the survey, please contact:
