## NEED A BREAK?

Many family members/friends/neighbours often do not realise that they are considered a Carer, simply because they are taking care of someone close to them. This means they don't often get a well deserved break. Replacement care is anything that gives a non-paid Carer a break. We are looking to help improve services in Torbay.

Can you help us? Your opinion matters. Have your say:

What replacement care have you used?

---

---

What has worked well for you so far?

---

---

How could replacement care in Torbay be improved?

---

---

What is the age of the person you care for?

---

What condition(s)/needs do they have?

---

---

Tell us a little about your experience...

Thank you for taking the time to help.
