Dear Sir/Madam

Request for Information

We are writing to confirm that we have now completed our search for the information you requested.

A copy of the information is below:

We would like to place a Freedom of Information request, wishing to obtain an Install Base report for cardiographs (ECG recording devices) at your NHS trust.

Please could you provide the information broken down by individual hospital site (where applicable), rather than as a single trust-wide total. Where your organisation operates more than one hospital, we would be grateful for a separate entry for each site.

For each hospital site, we are specifically looking for the following:

- Hospital site: [Column A of table 2](#)
- Number of cardiographs on site: [See table 1 below](#)
- Make and model of each cardiograph: [Column B and C of table 2](#)
- Commission date (year): [Column D of table 2](#)
- Planned replacement date (year): [Column E of table 2](#)
- Do you operate a paper-based or digital ECG workflow? [Digital](#)
- Do you have an ECG management system? (If yes, please state the make/model) [Yes – GE MUSE, Cupid and EPIC](#)
