Dear Sir/Madam

Request for Information

We are writing to confirm that we have now completed our search for the information you requested.

A copy of the information is below:

1. **The number of maternity triage attendances to the maternity unit at Torbay Hospital, the Whitelake Unit at Newton Abbot Hospital and other community hospitals during the previous financial year (01 April 2025 – 31 March 2026).**

   a) **If maternity triaging services are also provided elsewhere within the Foundation Trust please include the requisite attendances in your response with those set out in (1).**

   b) **If maternity triaging is not provided elsewhere, please also specify this in your response.**

Unfortunately, the maternity electronic patient record system in use during the period 1 April 2025 to 31 March 2026 is unable to provide the requested maternity triage attendance figures. We are therefore unable to supply these figures from that system.

The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting.

If you wish to discuss any of the above, please contact us, quoting the FOI reference number above.

If you are unhappy with the way in which we have handled your request, please contact the Data Protection and Freedom of Information Lead in the first instance. If you wish to make a formal complaint, you should write to our Information Governance Team at Information Governance and Data Protection, Belmont Court, Torbay and South Devon NHS Foundation Trust, Torquay, TQ2 7AA or by email to tsdft.igteam@nhs.net
